2019 Siemens Digital Industries Software Aerospace and Defense Executive Council Meeting

July 15-17, 2019

Hyatt Centric Park City – Park City, Utah

[siemens.com/plm/aero-executive-council](https://www.siemens.com/plm/aero-executive-council)

Dear trusted partners and colleagues,

We cordially invite you to the Siemens Digital Industries Software Aerospace and Defense Industry Executive Council Meeting on July 16 - 17, 2019 at the Hyatt Centric Park City, Park City, UT, brings together customer executives and Siemens executives for a thought-leadership forum, to shape our solution vision and establish the direction for digital enterprise solutions. Your participation in this meeting will provide an opportunity to discuss the future direction of Siemens solutions for Aerospace and Defense, the business challenges that digital enterprise solutions can address, and opportunities to leverage PLM to grow your business.

In addition, we will have the leadership of the customer driven Aerospace Working Group (AWG) report out on their activities for the last year and give the Council the opportunity to provide direction for the upcoming year. We will also have two sessions of customer sharing of best practices and lessons learned in their digital transformation journey.

Location: Hyatt Centric Park City, 3551 North Escala Court, Park City, UT 84098

(435) 940-1234

We're looking forward to seeing you!

Best regards,

Barry Chapman

Vice President, Aerospace and Defense, Federal and Marine Industries. Siemens Digital Industries Software

Dale Tutt

*Vice President, Aerospace and Defense Strategy
Siemens Digital Industries Software*
