

Siemens Digital Industries Software

Beyond Industry 4.0

How to make closed-loop manufacturing a reality

siemens.com/software

Tuesday, Jai	nuary 28	
14:30-15:00	Registration	
15:00-15:10	Welcome	Mats Friberg, VP Siemens Digital Industries Software Nordic and Göran Persson, Managing Director Siemens Digital Industries Software, Sweden
15:10-16:00	Digital enterprise	Jan Mrosik, COO Siemens Digital Industries Software
16:00-16:30	World-class manufacturing	Alrik Danielsson, CEO SKF
16:30-17:00	Digital first – Building a factory for the future	Peter Carlsson, CEO Northvolt
17:00-19:00	Showcasing closed-loop manufacturing – Walking the digital thread	Siemens Exhibition Area – Siemens experts and partners
19:00-22:00	Dinner	Friends Quality Hotel
Wednesday,	, January 29	
08:00-08:30	Registration and closed-loop manufacturing exhibition – Walking the di	gital thread
08:30-08:45	Welcome	Jan Mrosik, COO Siemens Digital Industries Software, Mats Friberg, VP Siemens Digital Industries Software Nordic and Göran Persson, Managing Director Siemens Digital Industries Software, Sweden
08:45-09:45	Keynote: Siemens view on closed-loop manufacturing	Zvi Feuer, VP Manufacturing Engineering, Siemens Digital Industries Software
09:45-10:15	Coffee break and exhibition	
10:15-11:00	Keynote: Embracing change – How to bring CLM into your organization	Gunter Beitinger, VP Manufacturing Digital Industries, Siemens AG
11:00-11:45	Closed-loop manufacturing in real life – Live demo on stage	Udo Buschbeck, Director Enterprise Integration, Siemens Digital Industries Software
11:45-13:00	Lunch break and exhibition time	
13:00-14:30	Breakouts – How to get started!	
	Closed-loop manufacturing for discrete industry	ROOM O2S
