Siemens PLM Software
JT Data Format Reference Patent Clarification Notice

Siemens Product Lifecycle Management Software Inc. (SPLM) owns or holds exclusive rights to one or more patents covering technology that is disclosed and documented in the JT File Format Specification and in ISO standard 14306 JT file format specification for 3D visualization, version 9.5 and later. SPLM desires to promote the use of JT Data Format for information interchange among diverse products and applications.

Accordingly, the following patents are licensed on a royalty-free, non-exclusive basis for the term of each patent and for the sole purpose of developing software that produces, consumes, and interprets JT Data files that are compliant with the specification, and the distribution and use thereof:

U.S. Patent Number: USA 20110199382, 8019788
and its corresponding patents in foreign jurisdictions.

The above license is limited to only those rights required to implement the JT Data Format and no others. SPLM grants only those rights in the above-referenced patent(s) necessarily practiced in the implementation, and subsequent distribution or utilization of such implementation, of the above named specifications, and does not grant any rights not required to implement the above named specifications. The license does not grant the right to practice any patent covering other technologies, such as implementation techniques that are not explicitly disclosed in the above named specifications, nor does it allow the use of any patented feature for any purpose other than as set forth in the applicable license grant. SPLM has other patents in various fields, none of which are hereby licensed.
